*Over 30 years of experience have allowed us to offer you a comprehensive range of solutions related to tailored **multimodal transportation** that integrates air and sea freight operations, solid expertise of customs operations as well as logistics and distribution.*

Since 1986, QUALITAIR&SEA has shaped itself into one of the leading independent multimodal transportation and customs expert in France.

EXCELLENCE

Thriving for excellence is the DNA of our company.

OUR TEAMS

Dedicated, our people are the main resource driving your success.

AGILITY

Our intermediate size allows us to easily adapt to your needs.

INNOVATION

Our full range of services are here to support you with innovative IT such as digitalization of documentation and Business Intelligence (BI).

NICHE PLAYER

We work in many sectors of activity such as aeronautics, healthcare, automotive, oil and energy, chemicals, luxury, textile and perishable goods.

INTERNATIONAL

Operating within a worldwide and agile network, we have chosen each agent based on their know-how. This flexibility makes us expert in managing complex flows such as cross-trade expeditions.
